

California
Wild Heritage
Campaign

San Diego Region

Geoffrey Smith, Regional Organizer

Will you join us in supporting efforts to establish federal protection for your precious wild public lands and rivers in San Diego County? A total of 63,982 acres of wilderness and 22.5 miles of river including:

- Beauty Mountain Wilderness proposal – 16,700 acres
- Eagle Peak Complex Wilderness proposal – 24,488 acres
- Hauser Wilderness Additions proposal – 7,604 acres
- Sawtooth Mountains Wilderness Additions proposal – 6,518 acres
- Carrizo Gorge Wilderness Addition proposal – 6, 508 acres
- Pine Creek Wilderness Addition Adjustment proposal – 214 acres
- Agua Tibia Wilderness Addition proposal – 1950 acres
- San Diego Wild and Scenic River proposal – 9 miles long
- Cedar Creek Wild and Scenic River proposal – 6 miles long
- Pine Valley Creek Wild and Scenic River proposal – 7.5 miles long

These areas are part of a statewide proposal to designate over 2.4 Million acres of Wilderness, and 22 Wild & Scenic Rivers! Join with scores of dedicated volunteers and dozens of organizations as we work to educate our community and local elected officials about the need to protect these areas ...

- To safeguard our precious water supplies and recreational opportunities
- To preserve homes of plants and animals
- To protect our wild heritage for our families

Activities include:

- | | |
|---|---|
| <ul style="list-style-type: none">• Information tabling at community events• Public speaking at community organizations• Letter-writing | <ul style="list-style-type: none">• Outings to proposed areas• Fundraising events• Generating local support• More! |
